Iryna Fedorova

Junior Front-end developer

SUMMARY

I am Junior Frontend Developer skilled in HTML5, CSS, SCSS, JavaScript, and React. With practical experience in applying these skills, I have already developed a functional website that showcases my capabilities. I am eager to contribute my knowledge and enthusiasm to a dynamic team, where I can continue to expand my skillset and deliver impactful web solutions.

SKILLS

- React
- JavaScript
- GIT
- HTML
- SASS
- Webpack
- Gulp
- Bootstrap

EDUCATION

- Institute of Law at **Taras Shevchenko National University of Kyiv** (not graduated) — 2020 - present

ADDITIONAL COURSES AND TRAININGS

HOBBY

As a front-end developer, I not only work on my professional skills, but also find joy in various hobbies. Through reading, I develop my imagination, improve my critical thinking abilities. I also find inspiration in the art of cinema. By learning English, I am constantly improving communication skills. Coding is not only my profession, but also my passion. I really enjoy the process of transforming ideas into functional and visually appealing web applications.
